

SPEAKING

Topic: Challenges in understanding English skills!

Instructions:

- Create a 3-5 minute video discussing your experience of learning English and the challenges you have faced.
- Start by introducing yourself and briefly explaining your current level of English proficiency.
- Discuss your main difficulties in learning English skills, such as; reading, writing, grammar, listening or speaking.
- Provide some examples of situations where you struggled to learn the skill/s effectively.
- Explain what strategies you have used to overcome your difficulties.
- Conclude by summarizing your thoughts and stating what you hope to achieve in terms of improving your English proficiency.

Tips for creating a successful video:

- Speak clearly and confidently, and try to make eye contact with the camera as much as possible.
- Use visual aids such as slides or diagrams to help illustrate your points, if possible.
- Keep your video concise and to the point, but also engaging and informative.
- Practice your presentation a few times before recording, to help you feel more comfortable and prepared.
- Finally, make sure your video is well-lit and the audio is clear, so that your audience can hear and see you clearly.
